New for 2012

- On October 1, 2012 we hired a new full time officer Ptl. Matthew Zook. Ptl. Zook replaces Ptl. Duaine Cluckey who is now a part time officer with our department.

- We purchased a new multifunction copier machine for the office. This allows us to do all our printing, copying, faxing and e-mailing documents all into one stop.
- Administrative Assistant Darrin Repp, with the help of all members of the department completed the 2012 records destruction for the police department.
- We remind and encourage all to take a look at our website which has important updated information monthly. www.montpelieroh.net/police/.

- Lt. Dan McGee and A/A Darrin Repp attended an Emergitech Conference dealing with our reporting system. Where they learned a little bit more insight into our reporting program. Emergitech was excited to have us present this year since our department was an original pilot for reporting system Interbadge. This was paid for by the Village.
- Lt. Dan McGee graduated with this Masters in Public Administration in the spring of 2012
- Ptl. Stormy Doctor graduated with his Bachelor Degree in Criminal Justice in the spring of 2012.
- Don't forget we are also on facebook and twitter. Our facebook account is designed to showcase photos and inform the public what the department is up to. Our twitter account is used for weather alerts and upcoming announcements of events throughout the county. This account during bad weather is updated with the latest watches and warnings as our department gets them.
- We completed a holiday contest using our facebook account this year and it was well received by citizens. A series of questions were asked and each lucky citizen who answered correctly won a prize. These prized consisted of home protection equipment and movies. Also at the end of the contest the names of the 12 winners were placed in a hat and one name was drawn for a grand prize which included gift certificates and cards to various Montpelier businesses. This was well received by all who participated.
