Montpelier Police Department Mission Statement

The Montpelier Police Department shall endeavor to be a caring organization which dedicates itself to personal excellence, teamwork, and focused performance.

Our mission is to be considerate of the needs of the citizens, while providing a safe and secure environment. We shall do this by enforcing laws; arresting violators when necessary; building community relations through a cooperative partnership with the citizens of Montpelier; respecting the dignity of all people; and by striving to protect individual rights afforded by the laws of this city, state, and within the United States Constitution.

This mission is to not only arrest violators, but to use our best discretion in order to improve the quality of life for all. All officers of the Montpelier Police Department shall be mindful and hold near to their heart what it means to have **Honor, Courage, Dignity, Loyalty, Respect, and Integrity**. These words represent our values.

We shall take this mission on not because we have to, but because we believe we serve a higher purpose. Each officer shall be unwavering in their commitment to this mission.

Message From Chief Dan McGee

I am extremely proud to present the 2018 Montpelier Police Department Annual Report. Thank you to all for taking the time to review this edition. In 2018, our agency made a substantial change, and created some new and exciting ventures.

Once again, MPD was awarded certification by the Ohio Community Police Collaborative Board for policy and procedure, making our agency the only agency with all three certifications. We are humbled and honored by this, and will continue our efforts in creating a strong, policy-driven and community-oriented response to our community's needs. In 2018, K9 Justice began his official work! How exciting and already impactful to our community. We thank all who helped make this possible and we hope to use K9 Justice as an innovative tool to combat drugs, as well as build a bridge to our community.

In 2018, MPD and the Montpelier Exempted Village Schools partnered with a new Juvenile Resource Program, and hired a School Resource Officer for full-time service within the school. MPD has had a certified SRO since 2002, but this venture has placed an officer full-time in the school! This is a first for our jurisdiction and we are proud to say that it has been a success thus far.

We again hired new personnel to complement our staff and hope to see the training and commitment of these new officers blossom. And we completed our first full year of service to the Village of Holiday City. This venture has also shown to be successful and we are proud of our service to them.

We are generally proud of our commitment and service to our community. Honesty, Integrity, and Courage are the main values used to service our community. No, not everyone gets it. No, not everyone likes it. But, our profession is one that is often misunderstood. And, we will not allow the vitriol of others map our path. We believe we serve a higher purpose and we want to honor that in the positive actions and cases we present, each and every day.

We are honored to present this report to you. Please take the time to look at the amount of effort our officers give to this community. We are humbled and honored to serve you.

God Bless,

Chief Dan McGee

OHIO COLLABORATIVE COMMUNITY-POLICE INFORMATION

In December 2014, Gov. Kasich signed an executive order creating a task force on community-police relations. In 2015, Gov. Kasich then created the Ohio Collaborative Community-Police Advisory Board, to oversee recommendations on policy and practices of Ohio police agencies. In 2016, the Montpelier Police Department became the first agency in Williams County to comply with the standards and practices set by this board. The below information assists MPD in maintaining compliance with the standards we have met, through release of public information. MPD is proud of our commitment to maintain a professional, community-based police department. Today, MPD maintains the only agency within Williams County in total compliance with the OCCPA.

Policy Compliance Standards:

- Standard 8.2015.1 Use of Force
- Standard 8.2015.2 Recruitment and Hiring
- Standard 8.2016.3 Community Engagement
- Standard 12.2016.4 Body Worn Cameras
- Standard 3.2017.6 Bias Free Policing
- Standard 3.2018.7 Investigation of Employee Misconduct

Bias Incidents Reported	0
Internal Affairs Investigations	1

Local Background Checks	34
Report Request's	250

On May 29, 2018, the Montpelier Police Department received its approval letter to operate as a Temporary Holding Facility (THF), from the Ohio Department of Rehabilitation and Corrections. This administrative process is done annually and required by the Ohio Revised Code. Additionally, the Montpelier Police Department completed full cooperation and requirements with the Ohio Department of Youth Services.

REFLECTION 2018

In 2018, we saw some new faces join the Montpelier Police Department. We welcomed Ptl. Morgan Hughes, Ptl. Randy Mills, and Ptl. Stephanie Mills. These 3 new officers also come with previous experience, joining us from other agencies including here in Ohio and New Mexico.

In 2018, Chief Dan McGee recognized the need for a Juvenile Resource Officer (JRO) at Montpelier Schools. Chief McGee spent a lot of time researching and working on adding this position at Montpelier Schools. Upon approval by Montpelier Schools and the Village of Montpelier, this position became a reality. In October Ptl. Stephanie Mills was hired as a fulltime JRO to serve at the Montpelier Schools. Ptl. S. Mills will be in the school fulltime for not only the safety of students, but also conducting programs in class rooms.

In November, Ptl. Randy Mills brought forth to Chief Dan McGee an idea for No Shave November. It was decided by Chief McGee that we would participate in this cause by raising money to pay off overdue lunch accounts at the Montpelier Schools. All monies left over would then go towards the park lunch program. Officers participated by donating \$20.00 in lieu of the department's clean shaven policy. Chief McGee then challenged the public to donate calling the program #NoShaveMontpelier. At the end of #NoShaveMontpelier we raised a total of \$5,002.00.

2018 also became the year of the K9! Sgt. Josh Mercer and K9 Justice began officially patrolling as partners in January, resulting in positive outreach to the community, and successful apprehensions. K9 Justice had various positive outcomes, including assisting at a drug trafficking complaint where a very large amount of meth was located. The success and pride for Justice culminated with Justice being named Grand Marshal to this year's Montpelier Bean Days and Balloon Fest parade!

MPD continued to strive to ensure our agency fulfills the needs of the community and to ensure we are providing services which compliment other village departments. MPD had several large cases (e.g. multi-state robbery and felony child abuse) come to successful conclusion, saved lives with Narcan, successfully prosecuted drug dealers and users alike, and completed various hours of community service!

Our agency is always mindful of our fallen brethren across the world. The statistic below are those officers from the United States who were killed in the line of duty. We reserve any judgment of the specific cases and choose to simply remember those special people who gave their lives in the name of serving the public. And we pay a special reverence to the families of officers across this world, for we understand that you sacrifice each and every time your hero walks out the door...

150 FALLEN HEROES (2018)

For 2019, Chief McGee challenged the officers to continue their efforts to excel, improve performance levels, and to be better today than they were yesterday. The above photo depicts challenge coins given to the officers as a reminder of their quest!
