Montpelier Police Department Mission Statement

The Montpelier Police Department shall endeavor to be a caring organization which dedicates itself to personal excellence, teamwork, and focused performance.

Our mission is to be considerate of the needs of the citizens, while providing a safe and secure environment. We shall do this by enforcing laws; arresting violators when necessary; building community relations through a cooperative partnership with the citizens of Montpelier; respecting the dignity of all people; and by striving to protect individual rights afforded by the laws of this city, state, and within the United States Constitution.

This mission is to not only arrest violators, but to use our best discretion in order to improve the quality of life for all. All officers of the Montpelier Police Department shall be mindful and hold near to their heart what it means to have **Honor, Courage, Dignity, Loyalty, Respect, and Integrity**. These words represent our values.

We shall take this mission on not because we have to, but because we believe we serve a higher purpose. Each officer shall be unwavering in their commitment to this mission.

Message From Chief Dan McGee

Welcome to the 2021, Montpelier Ohio Police Department, Annual Report. It is with great honor that we present this report to you!

This agency strives to ensure that we perform our duties in the most professional manner possible. This continued in 2021 with our efforts in continued education. Officers completed courses on various topics such as WMD/Terrorism Awareness, FEMA courses, Medical Marijuana, CPR/AED, Interview and Interrogation, Railroad Emergency Response, De-escalation Techniques, Child Abuse Investigation, and more!

Additionally, our efforts with Community Policing have continued, seen within the 67 hours of community service our officers gave (a majority off duty)! We were present at many events like the two fundraisers for DARE, various parades within the county, National Night Out in Montpelier, Trick or Treat, and the Cops N Kids event. We didn't stop there, as we presented many classes to school children and sponsored 4 families for Christmas!

Officers continued to work hard with criminal investigations and referred many for charges or indictment throughout the year. The amount of effort helped deter others from committing offenses, and shows the public we take our role serious. In total, you will see that our service calls were down some from the previous year, but still totaled 4,307 (which averages over 478 per full-time officer). Montpelier continues to meet all of the standards for the Ohio Collaborative Community Police Advisory Board, which again shows the public we are serious about our roles in police work, ensuring our policy is tempered with best practices, but allow us to aggressively complete our jobs.

Our Reserve Unit is a source of pride for MPD, and continued their selfless service in 2021. Staffing various events for the school, as well as participating in other community events, Reserve officers gave almost 1000 hours of service! Thank you to those volunteers for your tremendous impact on our community!

We see the impact the war on police has had, losing over 500 brother and sister officers. We see the continued impact Covid has played, but we wanted to show that it was not going to deter us in our mission. I've told officers many times that we can excel at any time, all it takes is effort. I've told officers many times the importance of our commitment to training and doing our job in the most professional manner. And, the officers of the Montpelier Police Department are determined to succeed in their jobs!

I am very proud of the officers! I am very proud of our community! We continued to show that success can be accomplished with hard work, and a collaborative effort between police and community! I hope you enjoy the 2021 Montpelier Police Department Annual Report.

Respectfully,

A handwritten signature in black ink that reads "Chief Dan McGee".

OHIO COLLABORATIVE COMMUNITY-POLICE INFORMATION

In December 2014, Gov. Kasich signed an executive order creating a task force on community-police relations. In 2015, Gov. Kasich then created the Ohio Collaborative Community-Police Advisory Board, to oversee recommendations on policy and practices of Ohio police agencies. In 2016, the Montpelier Police Department became the first agency in Williams County to comply with the standards and practices set by this board. The below information assists MPD in maintaining compliance with the standards we have met, through release of public information. MPD is proud of our commitment to maintain a professional, community-based police department. Today, MPD maintains the only agency within Williams County in total compliance with the OCCPA.

Policy Compliance Standards:

- Standard 8.2015.1 Use of Force
- Standard 8.2015.2 Recruitment and Hiring
- Standard 8.2016.3 Community Engagement

REFLECTION 2021

In 2021 Chief McGee was deployed on State Active Duty with the Ohio Military Reserves and Lt. Darrell Higbie directed the department in his absence, and we continued to see many great things happen for MPD! We obtained two new cruisers, which brought the MPD fleet to mainly SUVs, with one remaining car. We swore in various volunteers for the new Montpelier PD 4x4/Search and Rescue Team. These volunteers add a valuable resource to our community and we are proud of their commitment to service.

Magnum K9 (Quincy MI) assisted MPD in our efforts with our K9 program. Ptl. Randy Mills was selected as a new K9 handler and we're very proud of K9 Knox. This also allowed MPD to host a multi-department K9 training here in Montpelier, which was given rave reviews by the officers who attended. Ptl. Mills passed his OPOTA certification in August 2021 and the team is now working the road!

We saw the return of #NoShaveMontpelier after taking a year off due to COVID. This year we partnered with Team Taya. Officers from this

agency were allowed to grow beards, with a fine for violating policy. In addition to fine money, the department raised public funds that resulted in over \$3,000 being donated to Team Taya! This effort was but one of many community-policing efforts MPD made throughout the year.

The MPD ALERT Team continued to make an impact with 3 operations successfully completed, and many hours of continued training. In 2021, MPD also completed the

Montpelier PD Training Range project, and officially completing our first firearms requalification.

Not only did we see new officers added to our Reserve Unit, but we added a new full-time officer to the ranks, welcoming Ptl. Tyler Gorsuch! He started training in November 2021 and we wish him the best of luck!

Here's to a great 2022!

Our agency is always mindful of our fallen brethren across the world. In 2021 we paid special recognition to fallen officers due to the turmoil across the U.S. We reserve any judgment of the specific cases and choose to simply remember those special people who gave their lives in the name of serving the public. And we pay a special reverence to the families of officers across this world, for we understand that you sacrifice each and every time your hero walks out the door...
